

## Dissertation Examination

Starting with the July 2024 session, it is mandatory for students to upload and verify their dissertation on the **Turnitin** platform. **The similarity ratio obtained must not exceed 20%; it will be calculated solely by reference to correctly cited material and does not include reuse of material from the candidate's previous publications and bibliography.**

Students will register on the Turnitin platform using the class ID and enrollment key in the table below:

Study Programme	Class ID	Class enrollment key
AEMP	43336813	FSE-AEMP
CI	43336858	FSE-CI
DCRI	43336836	FSE-DCRI

Students will create their Turnitin account at the following link: [Link create cont student Turnitin](#)

The tutorial for creating the account and verifying the dissertation is available at the following link: [Tutorial Turnitin](#)

***Verification of the dissertation on the Turnitin platform is available from 3 April 2024.***

***Papers can be uploaded onto the Turnitin platform a maximum of 3 times in 24 hours (After three attempts, you will have to wait 24 hours before a new Similarity Report can be generated). Verification can also be made per chapter.***

***When registering for the dissertation exam, the student must ensure that he/she has verified the final version of the dissertation on the Turnitin platform (approved by the coordinator). The final similarity report of the dissertation will be downloaded by the student from the Turnitin platform, emailed to the dissertation coordinator and uploaded onto the dissertation exam registration file.***
